I have not made a new table of submission rates. I assumed this was info that CCD could pull. I don't have a report for LVEs.

Quick follow up. Attached is the (HOF – “hair on fire” list). Many thanks to Ex. 6 Personal Privacy (PP) for pulling all the CCD materials together.

Also, Lynn D agenda item #1 request for a table of the “submission rate for PMNs and LVEs over the past 4 weeks” said at the Monday NC meeting that this was a new metric and that we need to figure out how to pull this information together. Ex. 6 Personal Privacy (PP) – do you have a table for this already? It was unclear to CCD if we are generating a new table, or can pull from an existing one. We didn't want to generate more work until we got chance to talk over with [redacted] at today's meeting.
